To,  
Dr. C. H. Biradar,  
Professor, Department of Automobile Engineering  
PDA's College of Engineering, Gulbarga, Karnataka

Dear Sir,  
Greetings from COEP!!!

It gives us immense pleasure to inform you that COEP's Department of Mechanical Engineering is going to organize a 2<sup>nd</sup> International Conference and Exposition on Advances in Mechanical Engineering (ICAME-2022) during 23-25 June 2022. The ICAME-2022 will be an important technical event for celebration of 75<sup>th</sup> anniversary of Indian Independence and 162<sup>nd</sup> birth anniversary year of Bharatratna Sir. M. Visvesvaraya, the father of Indian Engineering and notable alumnus of the COEP.

We got overwhelming response and received around 448 manuscripts from the academia, R&D organizations, Industry, Research scholars and Engineering students and out of which 274 manuscripts have been selected for publication (Scopus indexed Journal and eBook series with ISBN) through double blind peer review process.

The Chairing role is very important in terms of assessment, timing, and overall management of the session during the conference. In view of this, it is our pleasure to invite you as a **Session Chair** for Thermal Engineering Track for ICAME-2022 at College of Engineering Pune (COEP), Pune - 411005, Maharashtra.

The detailed schedule of the conference will be shared with you soon...

We hope to see you at COEP campus for ICAME-2022.

Thanking you

Team, ICAME-2022  
COEP
