

CURRICULUM VITAE

Gurubai M Patil

gauri.patil900@gmail.com,

+91 9611668321

Gulbarga, Karnataka

Career Objective

An individual who would like to breathe challenges in and out. An ambitious, hardworking and dedicated person who would like to work in a manner that reflects commitment and responsibility, a person who strives and succeeds in fulfilling aspirations and goals that are set forth.

Profile Summary

- Motivated individual with excellent communication skills.
- Excellent decision making skills with a positive approach.

Field of Interested Subject

- Concrete Technology.
- Fluid mechanics
- Survey

Educational Qualifications

Sl. No	Name of course	Period	College/School	Percent age
01.	M.Tech(Civil Construction Technology)	2014-2016	VTU Regional office, Gulbarga	68.9%
02.	B.E(Civil)	2008-2012	PDA College of Engineering Gulbarga	70.5%
03.	P.U.C	2006-2008	C A I College of Science Shahabad	52.0%
04.	SSLC	2005-2006	G S M Girls high school Shahabad	80.9%

B.E-Academic project (2011-2012)

Project

Road widening of Yadgir city using Map-Info Software

Team Size:-

About Project

To study Roads of Yadgir City-Gulbarga District and purpose of widening and estimation of property, area loss and its cost compensation after widening using map info software.

Project Approach

The project approach starts with the map based Yadgir city which is collected from "Town Planning Office Yadgir". The project involves information about roads and its surrounding properties. The main intention of the project is to show the road network and its surrounding properties and areas. The project has been worked by using map info software to show effects on widening based on traffic census. During the reconnaissance survey the need of more numbers of ATM is observed at certain locations where the public flow is more. Therefore AM's are proposed at required locations. It also helps in buffering the roads to required width. Relatively inexpensive decision making tool.

M Tech-Academic project (2015-2016)

Project:

SEISMIC ANALYSIS OF MULTI-STOREYED BUILDING WITH SOFT STOREY AND HAVING DIFFERENT TYPES OF SHEAR WALL

Team Size: - Individual

About Project

This project to concentrate on the seismic reaction and execution level of RC structures situated in seismic zone-V. In this concentrate exceedingly essential parts of the building that impact the mass, quality, solidness and deformability of the structure are incorporated into the logical model. To consider the impact of infill and solid shear divider on symmetric building models, the infill divider is situated at different areas and solid shear divider is situated at the side of the building. The diversions at distinctive storey levels and storey floats are looked at by performing Equivalent static and reaction range investigation

Project Approach

The general conduct of RCC confined building by stone work infill on the general conduct of the structure when subjected to seismic strengths are inspected. The impacts of solid Shear dividers on the general conduct of the structure at the point when subjected to seismic strengths are analyzed. The impact of delicate stories on the general conduct of the building when subjected to seismic powers

The destinations of the seismic examination are to evaluate the power and misshaping requests and limits of the auxiliary framework and its individual parts. The investigation methods can be partitioned into straight systems which incorporate direct static and straight element (ESA and RSA) and non-straight methodology which incorporate non straight static and non-straight element examination

Professional Experience (Total of 2 years)

- Worked As an Lecturer in NIVEDITA Polytechnic Yadgir from Aug 2012 to March 2014

Skills & Competencies

- Design Software: Auto CAD 2015 and Revit
- Packages: MS World, Power point, MS Excel.
- Conducted Seminar on Demand Assessment for civil Engineering Project.

Key Skill

In depth knowledge and completed training in **Auto-CAD and Revit**

Personal Details

Name : Gurubai.M.Patil
Father's Name : Mallinath Patil
Date of Birth: 26th Feb 1990
Gender : Female
Nationality : Indian
Marital Status : Married
Languages : English, Kannada and Hindi
Address : Plot-No-156, Janta Layout Karuneshwar Nagar,
Jewargi Road-Gulbarga-585101

Declaration

I hereby declare that all the information I have given above is correct to the best of my knowledge and belief.

Location: Gulbarga

Gurubai M Patil

Date:
