Organizing

INDIAN SOCIETY FOR TECHNICAL EDUCATION
52nd NATIONAL ANNUAL FACULTY CONVENTION
MONDAY 12th FEBRUARY 2024

*Tech-Innovation Towards
Social Reformation*

About HKE Society

Hyderabad Karnataka Education Society is one of the pioneer education society of Kalyana Karnataka Region. This society was established with an intention to cater to the needs of higher education by Late Sri. Mahadevappa Rampure, by the fund collected from the farmers of this region in the year 1958, with PDA College of Engineering as its first institution.

Sri Mahadevappa Rampure, the great visionary and the founder President served the society for many periods and established many institutions in health science, technical education, degree and law colleges. At present, under the banner of HKE Society, 55 Institutions are untiringly working towards the enlightenment of youths of this region. Nearly 4000 employees rendering their services in different institutions and about 16000 plus students take admission every year.

The Society has received "The Best Education Society" National award from ISTE, New Delhi for the year 2021.

About Institution

Poojya Doddappa Appa College of Engineering is the first institution of Hyderabad Karnataka Education(HKE) Society, Kalaburagi, established in the year 1958. The foundation stone of this college was laid down by Dr. S. Radhakrishnan, the then Vice-President of India in 1958. Presently College has 11 UG programmes, 10 PG Programmes, and 13 Research Centres, aimed at spreading and imparting technical education in Kalyan Karnataka Region. College has state-of-the-art technologies with highly equipped laboratories and digitalized smart classrooms having highly qualified and experienced faculties with the highest number of Ph.D. and M.Tech degrees.

More than 50% of the programs in the institute are accredited by the National Board of Accreditation, New Delhi.

Considering the good academic, innovative, and research initiatives in the college the University Grants Commission and VTU has conferred the Autonomy to the Institution in the year 2007-2008 and the autonomous status was extended to another four years in the second cycle and at present in the third cycle the UGC has granted the extension of autonomy for 10 years i.e. 2028-2029.

This is the only Autonomous Institution in this region, which was sponsored under TEQIP I & II from the World Bank and received grants of rupees 10.43 corers, 12.5 corers, and an additional grant of Rs 5 corers. This is one among 12 institutions having TEQIP-I & TEQIP-II sponsorship. In TEQIP-III the institute was recognized as a mentor institute for BIET Jhansi, Uttar Pradesh.

The Institute has been awarded with Bharatiya Vidya Bhavan National Award for Best Overall Performing Engineering College for the year 2017 by ISTE, New Delhi.

The Centre of Excellence in PDA College of Engineering provides a platform for students to get exposure to cutting-edge technologies. 16 different multinational companies under one roof provide training to the students on emerging technologies and enable them to get the Global Certifications.

The Indian Space Research Organization recognized the institution as a nodal center to conduct online courses offered by IIRS and ISRO

Thousands of our alumni are in very high positions and serve in many Govt., Public and private sectors across the globe.

About ISTE

The Indian Society for Technical Education (ISTE) is the leading National Professional non-profit making Society for the Technical Education System in our country with the motto of Career Development of Teachers and Personality Development of Students and overall development of our Technical Education System. Being the only national organisation of educators in the field of Engineering and Technology. The strength of ISTE is the strong base it has in technical education institutions in the country.

Founded in 1941, ISTE has been dedicated to promoting the advancement of technical education in the country. Over the years, it has played a pivotal role in shaping the landscape of technical education and has become a vital platform for educators, researchers, and professionals in the field.

At present, ISTE has a very large and an effective membership base consisting of 1,38,675 technical teachers as Life Members, 5,35,000 Student members, 3232 Institutional Members (including IITs, IISc., NITs and other leading technical institutions), 1469 faculty chapters and 1768 students' chapters and 19 Sections at State level throughout the country.

ISTE's primary objective is to foster a strong network of technical institutions, teachers, and students, and to facilitate the exchange of knowledge and best practices. It aims to enhance the quality of technical education by providing opportunities for professional development, encouraging research and innovation, and facilitating collaborations between academia and industry. The society also collaborates with leading institutions and industry experts to provide training programs for teachers, helping them stay abreast of the latest advancements in their respective fields.

One of ISTE's essential functions is to organize various workshops, conferences, and seminars on a regular basis. These events serve as a platform for participants to share their expertise, present research findings, and discuss emerging trends and challenges in technical education. ISTE organizes an Annual Convention for faculty and students separately every year where a large number of technocrats, technical teachers, policy makers, experts from the industry etc. participate and interact.

About Convention

Indian Technical Higher Education system has tremendous pressure to create socially responsible skilled technical manpower. A large number of engineers that graduate from Indian Technical Universities fail to meet current Education requirements leading to an employability crisis. The universities and technical institutions need to rethink conventional teaching practices and bring in technology enabled and research oriented teaching methods to open up new horizons for the student community. The ISTE 52nd National Annual Faculty Convention- 2022 at PDA College of Engineering provides a platform for educationalists, policy makers, industrialist and other stake holders to discuss and deliberate views on the theme "Tech-Innovation towards Social Reformation".

The theme and the subthemes aims in providing solutions to the societal problems and enable the participants and the policymakers to "Rethink" in that direction. The convention is expected to work as a benchmark to promote social reformations and women empowerment.

Chief Patrons

Dr. Bhimashankar C. Bilgundi

President, HKE Society, Kalaburagi

Dr. Pratapsinh Kakaso Desai

President, ISTE, New Delhi

Patrons

Dr. Sharanabasappa R. Harwal, Vice - President, HKE Society, Kalaburagi

Dr. Jagannath B. Bijapur, Secretary, HKE Society, Kalaburagi

Dr. Mahadevappa V. Rampure, Joint Secretary, HKE Society, Kalaburagi

Prof. M. Jagadeesh Kumar, Chairman, UGC

Prof. T. G. Sitharam, Chairman, AICTE

Prof. Anil D. Sahasrabudhe, Chairman, NBA

Sri. N. Ravichandran, Director, DTE (Incharge), Bengaluru

Dr. Vidyashankar S., Vice Chancellor, VTU Belagavi

Ar. Basavaraj J. Khanderao, Convener, PDACEK & G. C. Member, HKE Society, Kalaburagi

Sri. Somanath C. Nigudgi, G. C. Member, HKE Society, Kalaburagi

Dr. S. B. Kamreddy, G. C. Member, HKE Society, Kalaburagi

Ar. Vinay S. Patil, G. C. Member, HKE Society, Kalaburagi

Dr. Anilkumar Pattan, G. C. Member, HKE Society, Kalaburagi

Sri. Sainath N. Patil, G. C. Member, HKE Society, Kalaburagi

Dr. S. G. Malashetty, Honorary Treasurer and Executive Council Member, ISTE, New Delhi

Shri. R. Baskar, Vice-President, ISTE, New Delhi

Dr. Gujjala Venkatasubbaiah, Vice-President, ISTE, New Delhi

Dr. B.E. Rangaswamy, Registrar, VTU Belagavi

Dr. T. N. Sreenivasa, Registrar (Evaluation), VTU, Belagavi

Dr. Basavaraj Gadage, Director, VTU Regional Centre, Kalaburagi

Prof. Vijay D. Vaidya, Executive Council Member, ISTE, New Delhi

Dr. Suresh D. S. Chairman, ISTE Karnataka Section

Dr. R. Basavaraj. Principal, SVCE(SLNCE), Raichur

ISTE Executive Council - Karnataka Section

■ **Dr. Sangappa S. B.**

■ **Dr. Rajappa Vellur**

■ **Dr. M. S. Govinde Gowda**

■ **Dr. C. K. Subbarayya**

■ **Prof. S. B. Devaraju**

■ **Dr. J. Prakash**
